

Apart from customary facilities, the library extends a comprehensive support service to teaching, research and extension, as per requirements of its patrons. Internet usage and browsing are allowed during working hours.

The library recalls borrowed books through e-mails either for renewal or returns. Communications from the library, in accordance with the official University policy, will be sent to the registered e-mail addresses of the faculty and students.

Notifications are maintained for the following:

- E-mail alert service on specific topics related to agriculture
- Mobile SMS Services,
- Current Awareness Service (CAS) & Selective Dissemination of Information Service (SDI)
- Full text journal request article delivery services from [JCC@CeRA](mailto:JCC@CeRA)
- Bibliographic Services
- Newspaper Clipping Service
- Broadband Internet connectivity, LAN and Wi-Fi
- Book bank scheme for students at 50% concession rate

The ARIS cell provides Wi-Fi facility for internet access along with cable broad band terminals. In the library, there are 4 terminals for students and staff and 2 separate LAN cable access points for plugging in laptops.
